Ms. Brianne Kelleher, Principal
Mr. Cory Cox, Assistant Principal
Mr. Matt Bosh, Assistant Principal

February 27, 2019

Dear Parents/ Guardians:

Every year, each public school and school district in Massachusetts receives a report card. Just as your child's report card shows how they are doing in different subjects, the school's report card is designed to show families how our school is doing in different areas. Please find the link to the North Attleborough Middle School report card [here](#).

The report card includes multiple measures of a school's performance – more than just MCAS scores. It represents a new way of looking at school performance, by providing information on student achievement, teacher qualifications, student learning opportunities, and more. Report cards are designed to be useful tools for everyone connected to our school. Families can use the information to have meaningful conversations with us about what the school is doing well and where there is room for improvement. Community and education leaders can use the information to better understand how to support students and our school.

You will notice on our report card that 58 percent of NAMS students tested in Spring 2018 met or exceeded expectations in English Language Arts, while 58 percent of students also met or exceeded expectations in Mathematics. I hope you will also notice that 58 percent of our eighth graders scored either proficient or advanced in Science, with 7 percent of those students at the advanced level. As a faculty, we have collaboratively worked during our weekly Professional Learning Community time during this school year to analyze the data and engage in discussions regarding best practices, including additional academic and social emotional supports for students that will increase student engagement and achievement.

We encourage you to become involved in helping us improve our school. We see parents as critical partners in the success of our students and school, and we are grateful for your continued support. If you have questions about our school's report card, would like to become involved in school improvement activities, or would like to request information about the qualifications of your child's classroom teacher, please contact me by email at bkelleher@naschools.net. To see our district's report card or to search for other schools' report cards, please visit [this link](#).

Sincerely,

Brianne Kelleher
NAMS Principal
