\* Do not administer altered prompts.

\*\* F&P assessment for Grades 4 and 5 will be administered as needed. An F&P will be administered for those students who are not meeting grade level expectations on the MAP assessment. All students receiving Reading services will have an F&P administered. Students whose teachers want them to receive Title I services will need an F&P administered by the classroom teacher.

- All Elementary Schools in North Attleborough will adhere to this schedule.
- Assessments are used to determine what a child knows, to inform instruction, to place a child in an appropriate group, to track progress, and to discuss during PLC time. Only when the assessments are administered under the same conditions can comparisons and determinations be made.
- **Bold** assessments will be documented in X2 during faculty meeting/PLC time so that principals may review with teachers.
