GREAT AMERICAN CLEAN-UP

2021

Our Clean Up Will Be May 1st, 2021

Thank you for your interest in participating in Keep North Attleborough Beautiful's eighth annual town wide Great American Cleanup scheduled for Saturday, May 1, 2021, 9:00-12:00, rain or shine!

Participation in our annual town wide cleanup is a wonderful way to show your community spirit, beautify the town, and have fun in the process. Online registration begins on March 1. Please note the following important changes:

- This year due to uncertain t-shirt inventories we must impose a registration deadline of **Friday, March 26**.
- **This year there will be no walk-in registrations permitted on the day of the cleanup, so registration is required.**
- Distribution of t-shirts, gloves, litter pick up bags, and hand sanitizer will be at **Martin School, Thursdays April 22 and 29, 5:00-7:00**. In order to minimize close contact, we ask that you put a simple sign in your car windshield stating your first and last name in large lettering. We will bring your KNAB tote bag of supplies to your car or place in your car trunk. Please wear masks while picking up tote bag.
- A volunteer release for safety measures and acknowledgment of our photograph policy will be required upon registration: **To read a copy, click here**. Please read and you will be prompted to acknowledge for both yourself and your party while filling out the **registration form**.
