

With Holiday shopping right around the corner, we would like to ask you to consider doing some of your shopping through the boxtop website. There are over 175 different stores to choose from, and the school will earn eboxtops tops for any purchases made.

The way to access this shopping sight is to go to the Martin School home page then go to the MSA link then go to the boxtop link, then go to shop & earn eBoxtops, and choose your store !

While on the Boxtop website feel free to go into the game app and play a game, this is another great way for Martin School to earn extra Boxtops There are also coupons that you can print for may different boxtop products .

Betty crocker is also currently running a contest that every school is entered in automatically, and the school who increases its clipped earnings the most will win 250,000 boxtops that translates to \$25,000. So lets really try to send in as may as we can.

Thanks and keep sending in those boxtops !!!!
