Dear Parent/Guardian:

**All students currently in 4<sup>th</sup> grade**, are required by the Commonwealth of Massachusetts to have a physical examination by this spring. Should a Physical Examination not be provided then the student **will not be assigned a fifth grade class.**

If your child has had a physical over the past 8 months please send in a copy as soon as possible. Most insurance companies will only pay for one physical exam per year. If you have their yearly physical scheduled, please indicate date below and return to the nurse's office. I urge you to make an appointment with your child's physician as soon as possible if you do not have one scheduled. A copy of the physical should be submitted to me after your child has been examined. It is important to ask for a copy of the child's physical during the scheduled visit. Many physician's Offices will charge a fee if asked at a later date.

If you would like a copy of a standard physical form to bring to the doctor, please let me know and I'll send one home with your child or you may obtain a copy from the Amvet School web site under Nurse's Notes. Many physicians' offices have their own forms for physical exams which are printed electronically.

If you do not have a family doctor, or have insurance questions, contact me so that I may assist you. Please feel free to call me with any questions.

Sincerely,

Lisa Mooney, RN
